

Checklist for Academic & Residential Technology

This checklist is to help you prepare for the fall semester. Listed are technologies that you will need for academic and residential life on campus. If you are a fully remote D Q Online student please visit <https://echo.lemoyne.edu/Ready-to-Learn-Online> for more information.

Academic Technology:

^a Review the 2 U L H Q W W D R F L R G H F I H F K Q R O o u t l e t o n C a n v a s (<https://canvas.lemoyne.edu>) to explore and practice using the most essential technologies that are used as part of the Le Moyne classroom experience before you arrive to campus.

^a Laptop

Follow these recommended specifications for a personal computer.

- " 7th Generation Core i5 processor
- " 8GB of RAM
- " 256GB Solid State Drive (SSD)
- " 1920 x 1080 (Full HD) Display
- " Currently Supported Windows or Mac Operating System
- " Active and Current Security Software
- " FoV: 60°
- "

Do NOT bring a personal wireless router. These devices interfere with the campus wireless network and will be disabled by IT. They are in violation of the campus information security policies.
